Stay Safe On & Off Campus

To report a non-emergency, contact Campus Police at (870) 703-6764

In an emergency, call 911 (8-911 from a campus phone)

- Alert campus police about suspicious-looking people or activities
- Always let family/friends know where you’re going and when you expect to arrive/return
- Steer clear of shrubbery, trees or structures that people could hide behind
- When walking alone, walk confidently and be aware of your surroundings
- If you think you’re being followed, find other people immediately
- Have keys ready before you get to the car so you don’t have to search for them
- Keep vehicles locked and don’t leave valuables in plain sight
- If you have someone that is prohibited, by law, from coming in contact with you, give that information to campus police
