At Hope

Presented by the
Arkansas Department of Labor and
the U.S. Department of Labor
This seminar has been designed for your hourly employees. We also encourage you to send members of your safety committee, supervisors and managers with safety responsibilities, as well as others who need training on safety basics. The purpose of the program is to enhance hazard recognition in the workplace, thereby reducing employee injuries and illnesses.

If you are interested in maintaining a safe and healthful workplace in your private business or public agency, you should attend this seminar. Nursing home administrators and nurses may use this training for continuing education purposes.

The seminar will be held from 7:30 a.m. to 2:45 p.m. on Wednesday, October 12, 2011 at the University of Arkansas Community College in Hope, 2500 South Main Street, Rapert Library Auditorium in Hope, Arkansas.

The registration fee of $25.00 covers lunch and materials. Participants are urged to preregister as seating is limited, however please note that you will be billed for the number of people preregistered even if they are unable to attend. (NOTE: Pre-paid registration fees are not refundable due to incurred expenses, however substitutions are permitted.)

The facilities for the meeting are accessible for individuals with disabilities; however, please advise in advance whether any attendee will require an accommodation for the program.

For more information contact Nita Matlock, Phone (501) 682-9090, or E-mail: Juanita Matlock@arkansas.gov
