Mission

UACCH KIDS’ COLLEGE offers a summer enrichment boost for capable and motivated students who will enter first through sixth grades in the Fall of 2011. Our focus will be to cultivate new interests, expand knowledge, and spark the children’s imagination and creativity while providing a non-graded environment for personal growth and development. Our staff has been specifically selected for their creativity and expertise. They are committed to enhancing the love and adventure of learning while developing well rounded children who will seek college educations in their futures.

**June 13 - 16**

morning sessions, 8:00 a.m. - 12:00 p.m., for students entering 1st and 2nd grade;

**Sign up soon!**

**Deadline May 19, 2011**
General Information

ELIGIBILITY
Any child who will enter grades 1-6 in the Fall of 2011 can enroll. KIDS’ COLLEGE students are expected to possess a level of maturity conducive to this type of program. Students who display inappropriate classroom behavior may be removed from the program without a refund. Please notify us of any special needs your child may have so we can accommodate.

DATES
June 13-16 and June 20-23 (Grades 1 & 2) 8:00 a.m.—12:00 p.m. Monday—Thursday
June 13-16 and June 20-23 (Grades 3 & 4) 1:00 p.m.—5:00 p.m. Monday—Thursday
June 27-30 (Grades 5 & 6) 8am-12pm or 1pm-5pm or 8am-5pm Monday-Thursday

REGISTRATION & TUITION
One Registration Form must be completed and returned to UACCH for each child by May 19, 2011.

Students registering after 5:00 p.m., May 19 will be charged an additional $20 late fee. NO EXCEPTIONS!

- $60 per week (half-days) 1st, 2nd, 3rd, 4th, 5th, and 6th graders
- $110 per week (full-days) 5th and 6th graders
- $110 both weeks (half-days) 1st, 2nd, 3rd, and 4th graders

The tuition fee includes all supplies, daily snack, and one t-shirt. 5th and 6th graders attending all day will bring a lunch each day.

Class seats are awarded on first come, first served basis, (paid, completed registration form). This form may be photocopied for multiple registrations. Families must submit a separate registration form for each child.

KIDS’ COLLEGE FREE SCHOLARSHIPS
A limited number of scholarships are available. Each child in a family may attend only one week of half-days on a scholarship. Parents must complete a scholarship application. Income documentation must accompany the child’s KIDS’ COLLEGE Registration and Scholarship Application Forms. The scholarship application is available in the Continuing Education Office, which is located in the Technical and Industrial building of the UACCH campus.

FOR MORE INFORMATION...
You may call UACCH Continuing Education Monday – Thursday, 8-4 at 870-722-8102 or 870-722-8162 for more information. E-mail inquiries should be sent to nancy.kenworthy@uacch.edu.

REFUND POLICY: Request for refunds must be made in writing by 5pm on June 6, 2011 for the first session, by 5pm on June 13, 2011 for the second session, or by 5pm on June 20, 2011 for the third session. Requests may be mailed or faxed to 870-722-8106.
Course Descriptions

IMAGINATION ART STATION
Climb aboard and take a trip to the Land of ART! Paint a Magnificent Poster-Size Mural, Dabble in Dazzling Dot Art, create Marvelous Mosaics using very unusual items, create a Masterpiece of Art using Finger Paints, and many more art projects! Everyday is a Colorful Painting Adventure at the Art Station!
Lynda Cole, instructor.
Available: ALL 3 Weeks for ALL grades

THROW SOME CLAY!
Do you love to sculpt? Come make some awesome pottery and learn about ancient cultures to see how pottery was originally for function and not just art! You will make several pottery pieces, stain them, and glaze them all for your own function or just for art. So come to my class and have lots of fun THROWING SOME CLAY!
Dione Smith, instructor.
Available: Weeks 1 & 3 for 1st - 6th grades

PIRATES!!
Ahoy! It's pirate time. Set sail as we create our pirate life with boat races and spyglasses to keep watch. We will also dress like pirates with our own swords and eye patches. So come aboard and let's set sail into the pirate world.
Rachele Emberton, instructor.
Available: Weeks 1 & 2 for 1st - 2nd grades

WELCOME TO THE JUNGLE
Have you ever wondered what it would be like in the jungle? Well here is your chance to find out! Come join us on our amazing adventure through the mysterious jungle.
Jodi Willis, instructor.
Available: Weeks 1 & 2 for 1st - 2nd grades

DIARY OF A WIMPY KID:
THE DOG DAYS OF KIDS' COLLEGE
Are you "Wimpy Kid" lover? If so, join the fun while learning all about author Jeff McKinney, making your very own "Do-it-yourself" book, and find out which character you are most like!
Nash Lewis, instructor.
Available: Week 1 only for 3rd - 4th grades

KITCHEN CHEMISTRY FOR 3RD-4TH
Come join in the fun and see what things mom would not let you do in the kitchen. We will do some wacky experiments to create things like hot ice, invisible ink, rock candy, and even an ice cream bash. This kitchen won't be like any other you have ever been to!
Rachele Emberton, instructor.
Available: Weeks 1 & 2 for 3rd - 4th grades

SCRAP ABOUT ME
All kids want everything to be about them, so this class is all about YOU! Bring 10-15 of your own pictures from home. You will learn to select the correct paper and embellishments to make your simple photos tell a story. The end result will be a beautiful and creative way to display your special memories!
Patsy Laughard, instructor.
Available: Weeks 1 & 2 for 1st - 4th grades

WILD WILD WEST!
Saddle up! Join the posse and have some fun. Gather up your boots and spurs and ride into the adventures of the past as we learn about the people and the history of the wild, wild west.
Rhonda Hillery, instructor.
Available: Week 1 for 1st - 4th grades
SHAKE YOUR TAILFEATHERS!
Do you love to build things out of wood? Do you love the outdoors? Then come land your tailfeathers in this building class! You can build your own wooden birdhouse and learn about the birds that might nest in it. You will learn great facts about birds native to this area and what you can do to make your birdhouse the talk of the trees! We will spy on some local birds, too! So, come fly with the birds in this soaring building class!

Dione Smith, instructor.
Available: Weeks 2 & 3 for 1st - 6th grades

TRIP TO CHINA
Hurry! Grab a four-day ticket to China before they are gone! How about celebrating the Chinese New Year and Mooncake festival while you are there! Make dragons, Chinese lanterns, and firecrackers. Break out the chopsticks while we sample fried rice, noodles, and dumplings. You will even learn to read and write in Chinese. So come on and join on our adventure to China!

Stephanie Crow, instructor.
Available: ALL 3 weeks for ALL grades

KITCHEN CHEMISTRY FOR 5TH-6TH
Come and join the most unordinary kitchen. It’s definitely nothing you will find in your house. Let’s do some wacky experiments to make honeycomb candy, bouncing balls, and even rubber eggs. We will even have a big ice cream bash one day. So come on in to the kitchen like you have never been to before.

Rachele Emberton, instructor.
Available: Week 3 only for 5th - 6th grades

CHRISTMAS IN JUNE
Come and get in the Christmas spirit again!! We will be making two different Christmas ornaments, even a Christmas candy container. Making a Gingerbread house, and decorating Gingerbread cookies to eat at our Christmas party is only part of our Christmas in June!

Becky Wachob, instructor.
Available: Weeks 1 & 2 for 1st - 2nd grades

IT’S ALL GREEK TO ME
In a time when myths and legends were spurned, heroic warriors reigned victorious, and Goddess-like women were rampant, the Ancient Greeks lived in glory and splendor. Prepare yourself to step back into this magnificent era.

Hannah Humphrey, instructor
Available: Week 1 for 1st - 4th grades

COOL COOKING
Have fun learning to prepare snacks, desserts, salads, and yummy treats without using the oven! Oatmealies, white chocolate chex mix, fruit pizza, dirt cake, fruit smoothies, and other yummy new treats are just a few of the goodies you will learn to make! Come join the fun!

Devon Butler, instructor.
Available: Weeks 2 & 3 for ALL grades!

ARCTIC EDGE
There’s "SNOW" better way to cool down…than to come to the Arctic Edge. We will beat the summer heat by learning about Arctic animals, playing ice games, splatter painting, and finding out what causes the dreadful “brain-freeze" while eating snow cones!

Nash Lewis, instructor.
Available: Week 1 only for 1st - 2nd grades
BONJOUR PARIS
Take a trip to the city of lights, home of croissants and fashion capital of the world. Get ready to paint like Claude Monet and build like Gustave Eiffel. A dazzling city awaits your arrival!
Hannah Humphrey, instructor.
Available: Weeks 2 & 3 for ALL grades

SPANISH IS FUN!
Students will enjoy learning the basics of the Spanish language by using grammar enhancement activities, doing art projects, participating in games and using color and creativity!!! Spanish is Fun offers an exciting opportunity to learn and achieve in beginning Spanish. Students will learn Spanish words and expressions in a positive environment. They will learn about animals, numbers, colors, astronomy, dinosaurs and their own birthdays……all in Spanish.
Beth Rowe, instructor.
Available: Week 1 only for 3rd - 4th grades

7 WONDERS TRAVEL AGENCY
Come travel the Mediterranean! We will build Greek triremes boats to sail the Mediterranean Sea. Next we will sail to Egypt to visit the Great Pyramids and construct our own pyramid complex. We will even tour inside the pyramids to see what they were used for. Next we will sail over to Olympia and visit the temple where the great statue of Zeus awaits. We will mold our own replicas of the great Zeus statue to keep as souvenirs. Then we will sail to the harbor of Rhodes and see the magnificent Colossus of Rhodes. Once we are finished inspecting this enormous statue we will test our own sculpting skills and create one of our own. On our journey we will also discover where there is a replica of each of these great wonders here in America. You will never guess!! Come journey with us to the place where America has received some of its greatest architectural inspiration!
Shane Wilson, instructor.
Available: Week 3-mornings only- for 5th - 6th grades

AMAZING SPACE
Come join us to explore the exciting world of outer space. We will take an adventure through space to see what Earth looks like and many other mysterious objects.
Jodi Willis, instructor.
Available: Weeks 1 & 2 for 3rd - 4th grades

BECOMING A CHOCOLATIER
Have you ever wanted to become a chocolatier? Now is your chance to learn all about making chocolate. We will start with how we get the chocolate we see today. We will then make a tasty treat with chocolate every day. We will also be discussing how the measurements are important as well as how a table should be set up. We will do some projects that will make our table setting personal as well.
Cari Winemiller, instructor.
Available: Week 3-afternoons only- for 5th - 6th grades

SPA-TASTIC!
Do you need a little pampering? Come relax at the Blue Lagoon and indulge yourself in luxury, as we learn how to whip up special homemade beauty concoctions and bring out your natural beauty.
Hannah Humphrey, instructor.
